### **We ask for your prayers!**

- **Composition:** We are on schedule with the completion of the original score *Waging Peace* by composer Robert Kyr. This choral work is based on powerful and vulnerable words compiled from OUR dialogues held in the fall of 2012. The lyrics are filled with anguish and inspiration as we name both the violence and the hope of peace. *May the lyrics and music stir, comfort, and engage us!*
- **World Premiere Concert:** "Challenging, ambitious, and wow" were words spoken by the choir directors who previewed Robert Kyr's original score in February. Without a doubt, our local interfaith community choir (being formed for this world premiere) will be musically stretched by this choral work. *May those who perform and hear this music be inspired to wage peace!*
- **Faith Communities in Baton Rouge:** Clergy and faith leaders are currently pondering ways to continue and to expand their efforts to wage peace. *May this concert stimulate bold and creative efforts to wage peace throughout our community!*
- **Founders and their Vision for Peace:** Take a moment to review the list of names on the left column. Their work during the 1980's has given Baton Rouge a lasting legacy of cooperation and peace. *May Waging Peace inspire us to continue their unfinished work and to pass on peacemaking to the next generation!*
