**ANNUAL REPORT**

# INTERFAITH FEDERATION OF GREATER BATON ROUGE

## ABOUT US

**Begun** in 1987, the Holy Grill program of the Interfaith Federation feeds the hungry as well as promotes healthy lifestyles and peace. Through partnerships with local congregations, restaurants, the Greater Baton Rouge Food Bank, and other donors, we provide hot meals for our guests five days a week.

## SERVING THE COMMUNITY

Through **BRAHL**, Holy Grill participants had access to a broad number of activities and services related to health and good nutrition. In the first months of the year, we held events in partnership with Southern University Ag Extension, LSU Ag, Ochsner Health, American Heart Association, Greater Baton Rouge Food Bank, and many others. More than 100 of our regular clients received health screenings, recipes for low-cost nutritious meals, assistance with SNAP signups, and many more resources.
